

PLANTING NOTE
 All trees and shrubs shall be native to Ohio. All areas to be seeded with a mixture of cereal rye at a rate of 1 bu/ac as conditions permit through the construction process and as temporary seeding.

PLANT ZONE A

2" Caliper Trees (min. 8 each)

<u>Common Name</u>	<u>Botanical Name</u>
Red maple	Acer rubrum
Red oak	Quercus phellos
Pin oak	Quercus palustris
Bitternut hickory	Carya cordiformis
Black gum	Nyssa sylvatica

3 Gallon Container Trees (min. 15 each)

<u>Common Name</u>	<u>Botanical Name</u>
Bitternut hickory	Carya cordiformis
Common pawpaw	Asimina triloba
River Birch	Betula nigra
Pin oak	Quercus palustris
Red maple	Acer rubrum
Sugar maple	Acer saccharum
Persimmon	Diospyros virginiana
Tuliptree	Liriodendron tulipifera
Kentucky coffeetree	Gymnocladus dioica
Burr oak	Quercus macrocarpa
Swamp white oak	Quercus bicolor
White oak	Quercus alba
Red oak	Quercus rubra

Native Seed Mix - Ohio Prairie Nursery Mix OFLPM01 or Equivalent at 9 pounds per acre Total (pure live seed)

<u>Common Name</u>	<u>Botanical Name</u>
Nodding wild rye	Elymus canadensis
Virginia wild rye	Elymus virginicus
Fringed sedge	Carex crinita
Shallow/lurid sedge	Carex lurida
Reed mana grass	Glyceria grandis
Dark green bulrush	Scirpus atrovirens
Great/soft-stemmed bulrush	Scirpus validus
Swamp milkweed	Asclepias incarnate
New England aster	Aster novae-angliae
Common boneset	Eupatorium perfoliatum
Cardinal flower	Lobelia cardinalis
Great lobelia	Lobelia siphilitica
Monkey flower	Mimulus ringens
Green-headed coneflower	Rudbeckia laciniata
Blue vervain	Verbena hastata
Culver's root	Veronicastrum virginicum

PLANT ZONE B

Bare Root Shrubs (min. 140 each)

<u>Common Name</u>	<u>Botanical Name</u>
American cranberrybush	Viburnum trilobum
Serviceberry	Amelanchier Canadensis
Silky dogwood	Cornus amomum
Southern arrowwood	Viburnum dentatum
Spicebush	Lindera bensoin
Chokeberry	Aronia melanocarpa
Flowering dogwood	Cornus florida
Buttonbush	Cephalanthus occidentalis
Common chokeberry	Prunus virginiana
Redosier dogwood	Cornus sericea
Redbud	Cercis canadensis

Native Seed Mix - Ohio Prairie Nursery Mix RBS01 or Equivalent at 15 pounds per acre Total (pure live seed)

<u>Common Name</u>	<u>Botanical Name</u>
Big bluestem	Andropogon gerardii
Switch grass	Panicum virgatum
Indian grass	Sorghastrum nutans
Swamp milkweed	Asclepias incarnate
Partridge pea	Chamaecrista fasciculata
Long stalked tickseed	Coreopsis lanceolata
Purple coneflower	Echinacea purpurea
Ox eye sunflower	Heliopsis helianthoides
Dense blazingstar	Liatris spicata
Wild bergamot	Monarda fistulosa
Foxglove beardtongue	Penstemon digitalis
Grey headed coneflower	Ratibida pinnata
Black-eyed susan	Rudbeckia hirta
Brown-eyed susan	Rudbeckia triloba
