- Please call 419-586-3289 ext. 3 to reserve your tour time.
- Only 10 individuals will be touring the site at one time.
- A group will be scheduled every 45 minutes, allowing for time in between groups.
- This will allow for 60 participants, so please register early!
- Please arrive on time!
- Light refreshments will be available.

Mercer County was awarded an Ohio EPA 319 grant in 2018 to restore 2,000 feet of stream to a natural channel design. Natural channel design promotes flood control, improved habitat and increased water quality.

This project was financed in part or totally through a grant from the Ohio Environmental Protection Agency and the United States Environmental Protection Agency, under the provisions of Section 319(h) of the Clean Water Act.
