

Improving GLSM since 1947...

Thank you for your interest in the Lake Improvement Association. If you care about the total health of Grand Lake St. Marys and its environment, and if you want your voice to be heard, or if you want to take advantage of the strength of a large and effective organization, then we want you as a member!

The LIA has been and remains actively engaged with all branches of government, from local boards to state and federal agencies, and we continue to seek legislative influence for funds to improve overall water quality and environment.

Objective

Lake Improvement Association members are united by the bonds of friendship, and strive for mutual understanding of all problems of the lake; they endeavor at all times to solve the problems to the satisfaction of the State of Ohio owning the lake, private enterprise around the lake, and the public using the lake.

Purpose

Promote closer fellowship and cooperation among farmers, landing owners and park operators. Advance the general improvement of the lake, its shores, channels, creeks, landings, parks and land in order to promote good health, soil stability, and clean, wholesome recreation for the public and private use of the area adjacent to the shores of Grand Lake St. Marys, located in Mercer and Auglaize counties in the State of Ohio.

Events

Winter Icebreaker Dance
February

Scavenger Hunt
June

Bar Stool Open
August

Kids Fishing Derby

Can we count you in?

There's power in numbers. As the lake's oldest and largest improvement and advocacy group, we have the ability to affect positive change to improve the lake.

Your membership ensures your voice is heard by state and local officials, and promotes improvement projects lake-wide.

The LIA is...

- Families
- Hunters
- Fishers
- Boaters
- Vacationers
- Businesses

YOU!

Join the LIA

It's simple! Your support increases our strength, helps us solve complex issues, and improves Grand Lake St. Marys!
